Sponsorship / partner conduct terms - reference and edition *

Applicable privacy notice - reference and edition *

- ☐ I am authorised to submit this proposal. The legal identity, resources, rights and relevant interests disclosed are accurate to the best of my knowledge. *
- ☐ The applicant has received and accepts the identified conduct terms and will disclose material changes, follow agreed safety controls and cooperate with proportionate due diligence. *
- ☐ The applicant will not seek to influence technical assessment, recognition, awards, procurement or governance decisions through sponsorship. Conflicts and related-party relationships will be disclosed. *
- ☐ The applicant will use IAF names, marks and sponsor descriptions only within a separate written permission, and will not announce an accepted partnership before IAF confirms it. *
- ☐ The applicant will not claim access to participant or member information by reason of sponsorship. Any permitted contact or data sharing requires its own defined basis and safeguards. *

08 Privacy and communication

IAF uses these details to review this proposal, verify authority and suitability, manage conflicts and administer a partnership if accepted. Access is limited to authorised personnel and necessary providers or reviewers under the applicable privacy notice.

Provide only relevant information. Obtain the notice stating the responsible entity, privacy contact, uses, recipients, transfers, retention and rights. Send sensitive records securely. Optional publicity is separate from required processing.

- ☐ OPTIONAL: Send the named contact IAF partnership opportunities and sector updates. This choice may be withdrawn independently of essential proposal communications.
